

Rosemary Oil Manufacturer in India - Bulk Essential Oils

Swadesh India Chemical Pvt. Ltd. manufactures and supplies premium-quality Rosemary Oil for cosmetic, personal care, haircare, aromatherapy, wellness, and herbal formulations. We support cosmetic manufacturers, personal care brands, contract manufacturers, private-label companies, and distributors with reliable bulk supply and export-ready packaging solutions.

Derived from *Rosmarinus officinalis*, Rosemary Oil is widely used in shampoos, hair oils, scalp treatments, conditioners, face care products, massage oils, and aromatherapy blends. Formulators value this essential oil for its refreshing herbal aroma and versatility across beauty and wellness applications.

As a trusted Bulk Essential Oils Supplier, we maintain consistent quality standards, dependable supply capabilities, and technical documentation support for domestic and international customers. In addition to Rosemary Oil, we supply a wide range of essential oils for the cosmetic and personal care industries.
