Why Choose Us

France is one of the most popular destinations for students looking for internships. The world's best hotels and resorts, bakeries, and pastries are just a few of the experiences that students can enjoy in France.

Some key reasons include:

- Exposure to global culture and language
- High-quality education and training
- Opportunities for professional growth
- Rich cultural, culinary, and lifestyle experience
- Strong career value on your CV

For many students, an internship in France for students becomes a life-changing step, opening doors to global career opportunities.

About our France Internship Programs

Destiny Calling offers well-structured France internship programs. We work in collaboration with reputed host organizations. The internships are primarily focused on hospitality and service industries. The reason behind the same is that France holds global leadership in the same. Internships are carefully curated based on the students' academic background. Also, they take into consideration skills, language ability, and career goals.

Through the programs, we ensure that every placement offers genuine learning and safe and professional training environments. Also, you can be assured of professional growth. Our programs are suitable for culinary arts and hotel management students. Also, the tourism and hospitality students, in addition to fresh graduates, seeking international exposure will find it beneficial.

Internship Sectors Available in France

Most internships are specialized for the hospitality and service sector. France is unmatched in terms of its expertise. The common internship areas include restaurant and fine dining. Also, one can find internship placements in hotels and resorts, bakeries, and pastries. The internships are favorable for cafes and food services.

If you are looking for an internship in front office and guest relations, or housekeeping operations, you can benefit from the same. The roles allow the students to gain hands-on experience while also understanding the international service standards.

Duration and structure of the internship

Internship durations typically range from 3 to 6 months, depending on the program and the host organization. The structure follows fixed working hours in line with French regulations and emphasizes hands-on, practical training. Students receive assured weekly off days and a formal internship agreement with the host company. A monthly stipend is provided based on the role and location. Interns train under the guidance of experienced professionals and gain real-world exposure through workplace learning rather than classroom-based theory.

Eligibility criteria

To apply for internships in France, students need to follow the requirements as follows:

- Minimum age 18 years
- Relevant educational background in hospitality or a related field
- Basic knowledge of English. Note the point that French is an added advantage.
- Willingness to adapt to a new culture as well as a work environment
- Valid passport and being ready for visa procedures

Our team evaluates each profile individually. The reason behind the same is to ensure the best match between the student and the host organization.

Language requirements – Is French mandatory?

Basic French knowledge is highly recommended. It is especially good for the hospitality roles involving guest interaction. However, it is not always mandatory. Destiny Calling supports students by recommending language preparation before departure. Also, we will be guiding them on basic French requirements. Through our programs, we will be offering language support through trusted partners.

Stipend & Benefits

Most internships in France offer a monthly stipend. It allows the students to manage the basic living expenses. The exact amount is dependent on the internship role, location, be it city or region, Host organization. In addition to a stipend, students also gain professional skill development and international internship experience. It is great for cultural exposure and improved communication skills. One can get the strong global CV value.

Visa & Documentation Support

One of the biggest concerns for students is going through the visa process. Destiny Calling, in this regard, provides step-by-step support. With that, one can be assured that the process is smooth and stress-free.

Our assistance includes:

TESTIMONIALS OF OUR FRANCE INTERNS

The property I got was very nice. The staff and chef were really good and treated me well. If we used to make any mistakes the chef used to explain to us again and trained us well. I learned many desserts and cooked different types of meat. Being a vegetarian I didn't get any issue with the food as the hotel used to cook Veg Food just for me. On weekends, we used to meet and cook together Indian food like Parathas, chicken curry. I thank Destiny Calling for the property and even receiving our calls on weekends, a bit late, but always helped us.
