What is a Kundli (Janam Kundli)?

A Kundli, also called a Janam Patrika or Birth Chart, is the sky map depicting the position of planets, stars, and other celestial bodies at the precise moment of one's birth.

Vedic astrology uses this chart to interpret one's personality, strengths, challenges, and future possibilities.

Your Kundli works like a spiritual GPS and helps you make better life decisions in matters of:

Career and profession

Love and marriage

Family and relationships

Wealth and financial growth

Yoga: health and spiritual journey
